

Reduce waste. Go green.

Simply drop your single-use devices in our blue bin. We'll take care of the rest.

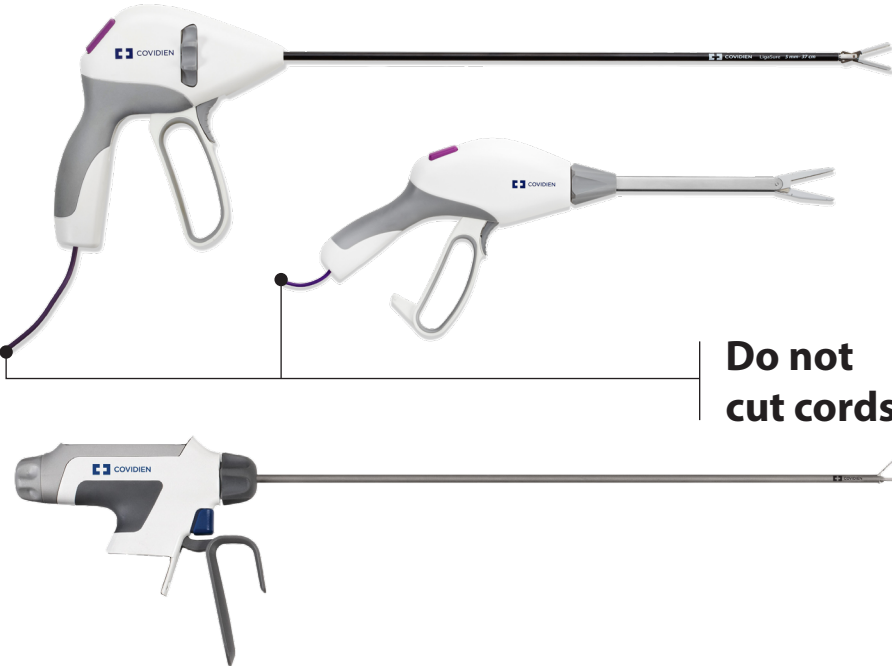

Arthroscopic/orthopedic devices:
Shavers, wands, bits, burrs, blades

Laparoscopic scissors, trocars, suture passers/guides

Vessel sealing and ultrasonic devices

Examples of items that should be disposed in:

Sharps bins

- Suture needles and needle counters
- Syringes
- Neuro/spinal

Standard trash cans

- Saline bottles
- Glass vials, if unbroken and not containing any pharmaceuticals

Pharmaceutical waste containers

Based on applicable regulations, vessels containing pharmaceutical waste should be directed to the appropriate container.
